GATESHEAD METROPOLITAN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

TOWN AND COUNTRY AMENITIES ACT 1974

Whickham and Ryton Conservation Area

Notice is hereby given that on 5th February 1988 the Borough Council of Gateshead in pursuance of section 277 of the Town and Country Planning Act 1971, as substituted by section 1 of the Town and Country Amenities Act 1974, determined that the Whickham and Ryton Conservation Areas should be varied by the additions and deletions as described in the Schedule to this Notice and plans showing the areas in detail can be inspected free of charge at the offices of the Director of Planning Civic Centre, Gateshead, during normal working hours.

The main consequences of designating the new areas into the conservation areas are that application for planning permission which affect character and appearance of the area will be advertised and public comments will be invited and considered before a decision is made. Also a consistent policy will be carried out by the Council to improve and conserve the amenities of the area. Trees in the conservation area are protected in similar fashion as if they were covered by a tree preservation order. This has the effect of prohibiting except with the consent of the Local Planning Authority the cutting down, topping, lopping or wilful destruction of any tree.

There are several provisions relating to the demolition of buildings in a conservation area it is provided that they shall not be demolished without the consent of the Local Planning Authority and cannot be merely included under a general permission without specific consent. Regulations controlling advertisements may make special provisions regarding their control in conservations areas. Persons wanting advice regarding buildings and trees in this area can obtain this from the Director of Planning, Civic Centre, Gateshead during normal working hours.

Income and Corporation Taxes Act 1988 ANNOUNCEMENT

On March 7, the Income and Corporation Taxes Act 1988 is to be published by Her Majesty's Stationery Office. This consolidating Act brings together all existing provisions relating to income and corporation taxes, for the first time since 1970.

As a great number of disparate provisions have been introduced in the last eighteen years, the Act is of considerable size. It is thus best used in conjunction with a separate Table of Destinations and Derivations, which indicates both where provisions from earlier legislation are to be found in the new Act, and from whence provisions in the new Act are derived.
