## NOTICE

TREASURY MINUTE dated 14th March 1989.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 15th March 1989 and until the coming into operation of a further determination:

- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

### CAMBRIDGE CITY COUNCIL

#### *The City of Cambridge (Off-street Parking Places) (Consolidation) Order 1988 (Amendment No. 1) Order 1989*

Notice is hereby given that Cambridge City Council in exercise of its powers under sections 32, 33, 35, 39, 41, 44 and Part IV of Schedule 9 of the Road Traffic Regulation Act 1984 ("the 1984 Act") and of all other enabling powers with the consent of Cambridgeshire County Council in accordance with section 39(3) of the Act and after consultation with the Chief Officer of Police in accordance with Part III of Schedule 9 to the 1984 Act made the above-named Order on 2nd March 1989.

The effect of this Order will be to amend the City of Cambridge (off-street Parking Places) (Consolidation) Order 1988 as follows:

amend the Table of Articles;

introduce new definitions of "private hire car" and "disabled person's vehicle";

prohibit the washing of vehicles in all off-street car parks;

extend the "lost ticket" presumption that a vehicle is left in a car park at 9 a.m. to all off-street car parks;

extend the ability to remove vehicles in case of emergency to all off-street car parks;

extend the application of provisions to comply with signs, obstructing access, closure of parking places, and damage to vehicles and property to all off-street car parks;

extend the excess charge provisions to apply to all off-street car parks on non-payment of charges and introduce a presumption that the owner of a vehicle is liable to pay the excess charge unless the contrary is proved;

redesignate Queen Ann Terrace car park as a "pay and display" parking place and introduce a new tariff of charges in respect of that car park only which shall be the same as applied to the Crafton Centre Eastern car park;

delete Garlic Row and Shelly Row/ Albion Row from the schedule of designated off-street car parks;

introduce regulation for the Bath House car park Gwydir Street; amend the description of the Sleaford Street/John Street parking place to Sleaford Street/Ainsworth Street.

Members of the public should note that the above-named Order will not introduce any changes to parking charges with the sole exception of Queen Ann Terrace, where a new tariff of charges is introduced only as consequence of the change over to "pay and display".

The reasons for making the above-named Order are firstly, the consequential need to amend the regulations governing off-street car parks as a result of consolidation; and secondly, to convert Queen Ann Terrace car park to a "pay and display" car park.

The Order will come into operation on 1st April 1989.

Any person desiring to question the validity of the Order or any provision contained therein may do so by application to the High Court within 6 weeks of the date on which the Order was made on the ground that it is not within the powers of the relevant section of the Act or that any requirement of Part III of Schedule 9 to the Act or of any regulations made thereunder had not been complied with in relation to the Order.

##### *Botley Road, Market Street, and Park End Street, (Alterations to Traffic Regulations)*

Notice is hereby given that the Oxford City Council as agent for the Oxfordshire County Council, has made Orders to alter traffic regulations in Park End Street and Market Street and in Botley Road between the railway bridge and Binsey Lane. When the Orders come into operation on 20th March 1989 their effect will be as follows:

##### *(A) Park End Street*

(1) The bus lane in the one-way length of Park End Street will operate only during the periods between 7.30 a.m. and 9.30 a.m. and between 4 p.m. and 6.30 p.m. on Mondays to Saturdays (at present it operates from 7 a.m. to 7 p.m. on every day of the week).

(2) The two hour parking place on the north side of the one-way length of Park End Street will be removed and replaced on the south side of the road on either side of its junction with Park End Place. Parking will be permitted for a maximum of two hours between 9.30 a.m. and 4 p.m. on Monday to Saturday and not at all between 7.30 a.m. and 9.30 a.m. or between 4 p.m. and 6.30 p.m. (which are their periods when the bus lane will operate).

*(B) Park End Street and Botley Road:* A peak hour clearway will operate in the whole length of Park End Street and in Botley Road between the railway bridge and Binsey Lane. The clearway will apply between 7.30 a.m. and 9.30 a.m. and between 4 p.m. and 6.30 p.m. Mondays to Saturdays inclusive. (at present there are peak hour loading and unloading restrictions in these lengths of road during more limited periods in the morning and evening). The difference between the proposed and existing restrictions is that there will be less exemptions to them and the exemptions will only apply for emergency and essential purposes as defined in the Order. As a consequence the period of operation of the 10 minute parking place in Botley Road east of Otlands Road will be adjusted so as to permit 10 minute parking only between 9.30 a.m. and 4 p.m. on Mondays to Saturdays inclusive.

*(C) Market Street:* The existing ban on loading and unloading on the north side of Market Street between 8.15 a.m. and 9.15 a.m. and 4.45 p.m. and 6.30 p.m. on Mondays to Saturdays inclusive will be replaced by a ban on loading and unloading on the whole of the north side of the street and on the south side between Cornmarket Street and the Covered Market loading area between 10.30 a.m. and 3.30 p.m. on Mondays to Saturdays inclusive. In addition the informal on-street parking loading bays on the south side of the road by the Covered Market will be formalised by introducing a 60-minute maximum time limit on their use.

The titles of the Orders which introduce the measures are "The City of Oxford (Central Area) (Traffic Control) Order 1989", "The City of Oxford (Botley Road) (Peak Hour Clearway) Order 1989 and "The City of Oxford (West Oxford) (Parking Places and Controlled Parking Zone) (Variation) Order 1989".
