Take notice that Southern Water Services Limited, Sussex Division, of Southern House, Lewes Road, Falmer, Brighton, East Sussex BN1 9PY, is applying to the National Rivers Authority to vary licence number 9/40/6/162/SR/(v) to abstract water from the River Rother at National Grid Reference TQ 7425 2400 in the parish of Salehurst, in the County of East Sussex. The effect of the proposed variation is to continue for a further 10 years, an existing five year variation which expires on 11th July 1994. This provides for an increase in the annual authorised quantities from 4,091,482.8 cubic metres to 8,182,965.6 cubic metres, subject to flow conditions on the River Rother to safeguard downstream river flows. No other alterations are proposed to the quantities authorised to be abstracted, nor to any other conditions in the licence.

A copy of the application and any map, plans, and other documents submitted with it may be inspected, free of charge, at all reasonable hours at Robertsbridge Post Office, 22 The High Street, Robertsbridge, East Sussex, between 18th March 1994 and 18th April 1994.

NATIONAL RIVERS AUTHORITY—SOUTHERN REGION

Notice of application to vary a licence to abstract water

Take notice that Southern Water Services Limited, Sussex Division, of Southern House, Lewes Road, Falmer, Brighton, East Sussex BN1 9PY, is applying to the National Rivers Authority to vary licence number 9/40/6/163/SR to abstract water from Darwell Reservoir at National Grid Reference TQ 7207 2108 in the parishes of Brightling, Mountfield and Batle, in the County of East Sussex.

The variation being applied for is to increase the following: the maximum hourly abstraction from 986-502 cubic metres to 1,250 cubic metres; and the daily authorised abstraction from 23,639-678 cubic metres to 30,000 cubic metres; and the total capacity of the means of the abstraction, specified in condition 4 of the Schedule, from 23,639-678 cubic metres/day to 30,000 cubic metres/day. The purpose of the proposed variation is to increase the amount of the permitted hourly and daily rates of abstraction. The existing maximum daily rate is only 2 per cent greater than the annual average and provides insufficient flexibility to operate the reservoir to meet demands during peak periods. The method of abstraction from the reservoir will remain unchanged, as will the total permitted to be abstracted in any one year.

A copy of the application and any map, plans, and other documents submitted with it may be inspected, free of charge, at all reasonable hours at Robertsbridge Post Office, 22 The High Street, Robertsbridge, East Sussex, between 18th March 1994 and 18th April 1994.

Any person who wishes to make representations about the application should do so in writing to the National Rivers Authority—Southern Region, The Regional Water Resources Manager, Guildbourne House, Chatsworth Road, Worthing, West Sussex BN11 1LD, before the end of the said period.

The Nottinghamshire County Council (Main Street and A612 Southwell Road, Lowdham) (Prohibition of Waiting) Order 1994 (3003).

Notice is hereby given that the Nottinghamshire County Council proposes to make an Order under section 1 of the Road Traffic Regulation Act 1984, as amended, the effects of which will be (in respect of roads at Lowdham in the district of Newark and Sherwood):

- (1) Vehicles will be prohibited from waiting at any time in parts of the following roads:

The prohibitions of waiting are intended to prevent the possible obstruction of Main Street which could cause difficulty for emergency services and to prevent vehicles parking close to the junctions with roads leading off Main Street thereby impairing visibility. The prohibition of waiting on the west side of Gunthorpe Road is considered unnecessary due to the relocation of the business which necessitated the prohibition.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
