

# Long-distance walking, cycling, and riding in the Vale of Pewsey

Set in the North Wessex Downs Area of Outstanding Natural Beauty, the routes take in downland, woodland, farmland, country lanes, picturesque villages and the Kennet & Avon Canal. Here you will encounter ancient history and experience the wildness of the downland, some of which is a national nature reserve.

# Explore the Vale of Pewsey

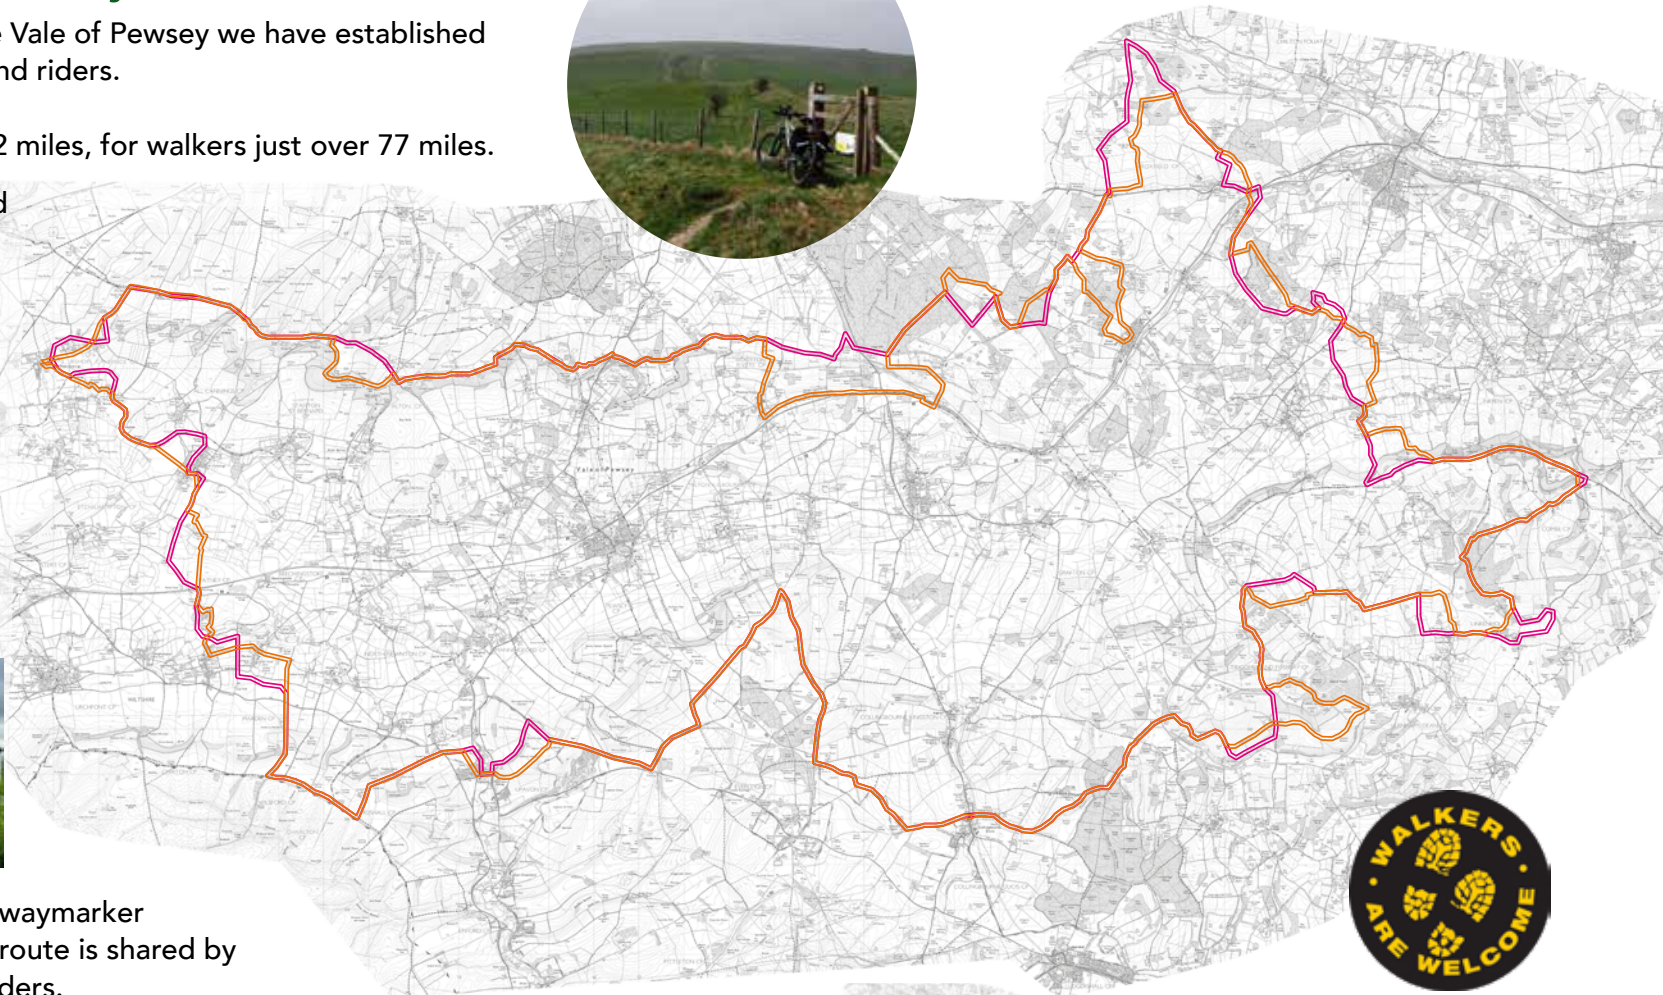

Project funded by Pewsey Area Board,  
Co-op Community Fund and Tesco Groundwork

To help visitors make the most of the Vale of Pewsey we have established circular routes for walkers, cyclists, and riders.

For cyclists and riders, the route is 72 miles, for walkers just over 77 miles.

The Pewsey Vale Circular Way should suit most people who enjoy walking, cycling or riding, with magnificent views and a variety of landscapes along the way. The walking route is divided into 7 stages to make your planning easier.

Both routes are waymarked, however you should take a map or download the gpx file(s) to follow the route on your walking app.

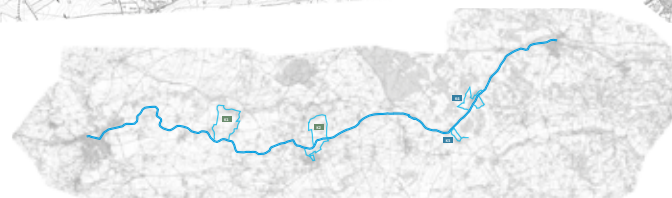

The most common waymarker appears where the route is shared by both walkers and riders.

**WALKERS ONLY:** where footpaths are used and cyclists and horse riders are therefore not permitted.

**RIDE** routes follow a byway, country lane or bridleway. These can also be used by walkers if preferred.

In addition to the two circular routes, the Vale is also crossed by both the **Kennet & Avon Canal** and the **Mid-Wilts Way** long distance path.

Information on these and many shorter walks and rides – from 2 to 19 miles – is available on [www.visitpewseyvale.co.uk](http://www.visitpewseyvale.co.uk)

# Visit Pewsey Vale

## EASY TO REACH

Railway stations at Pewsey and Bedwyn, both just over an hour from London.
