

# WINNEBAGO LESHARO

# LESHARO. IT'S GOING PLACES.

Go places like the grocery store, the lake and the Grand Canyon with LeSharo, because it's a car, a van and a motor home. All rolled into one.

LeSharo drives as easy as your family car. Its responsive 2.2 liter fuel-injected engine, with three-speed automatic transmission and aerodynamic body, zips you around town with solid performance and surprisingly frugal fuel economy. While its new Bendix electronic fuel injection system increases LeSharo's horsepower and torque by a full 5%.

LeSharo is a remarkable vehicle, fully equipped to take advantage of wherever you are. With rack and pinion steering and MacPherson struts, LeSharo cruises the city and explores the country like no other motor home. In fact, LeSharo is the only multi-use, front-wheel drive motor home. And it provides outstanding traction through snow, rain, dirt and sand. Innovations like these come from only one manufacturer—Winnebago Industries.

LeSharo is a true motor home in every way. Standard equipment includes a fully equipped galley, a bathroom with shower, furnace, and water heater. It sleeps up to four persons and you can drive it to work or use it for your family car.

So whether you're seeking adventure or an everyday means of getting from one place to another, the Winnebago LeSharo will get you there in style and comfort.

Because of its efficient use of space, the interior of the LeSharo has plenty of room and all the comforts and conveniences that make both long and short trips more enjoyable. LeSharo's wide screened windows tip out, allowing cool breezes to come in, even when it's raining.

The well-designed cockpit area includes standard features such as reclining bucket seats, cruise control, air conditioning, an electronic tune/signal seeking AM/FM cassette stereo and an oak beverage tray.

For meals and snacks, the efficient galley has a stainless steel sink, two-burner range top, two-cubic foot refrigerator and lots of storage space.

The unique telescoping bathroom and shower expands with walls that pull out easily to provide additional space. A fold-down sink and mirrored medicine cabinet complete the bathroom features. Photo on right shows walls extended.

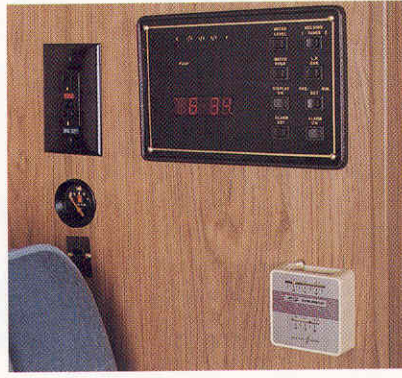

The wide, plush companion seats convert easily into a comfortable bed for additional sleeping space.

A large wardrobe and lots of overhead cabinets provide ample storage space. Under the wardrobe is a convenient plastic drawer for storing smaller items.

The dinette has a sturdy table that seats four by day and converts to a comfortable double bed at night.

Standard monitor panel indicates fresh water, holding and LP tank levels. The furnace includes a wall-mounted thermostat. Also shown is an electrical outlet equipped with a ground fault interrupter.

The optional 2,500 watt Kohler generator, with its own 8-gallon fuel tank, offers convenient power when a plug-in is not available.

# LESHARO'S UNBEATABLE QUALITY

*Seamless rotocast plastic water and holding tanks, strategically positioned for even weight distribution*

*Light, yet strong, structural aluminum body framework*

*Microprocessors monitor and control the fuel injection, ignition, timing, and the shifting of the automatic transmission for smoother, more efficient operation*

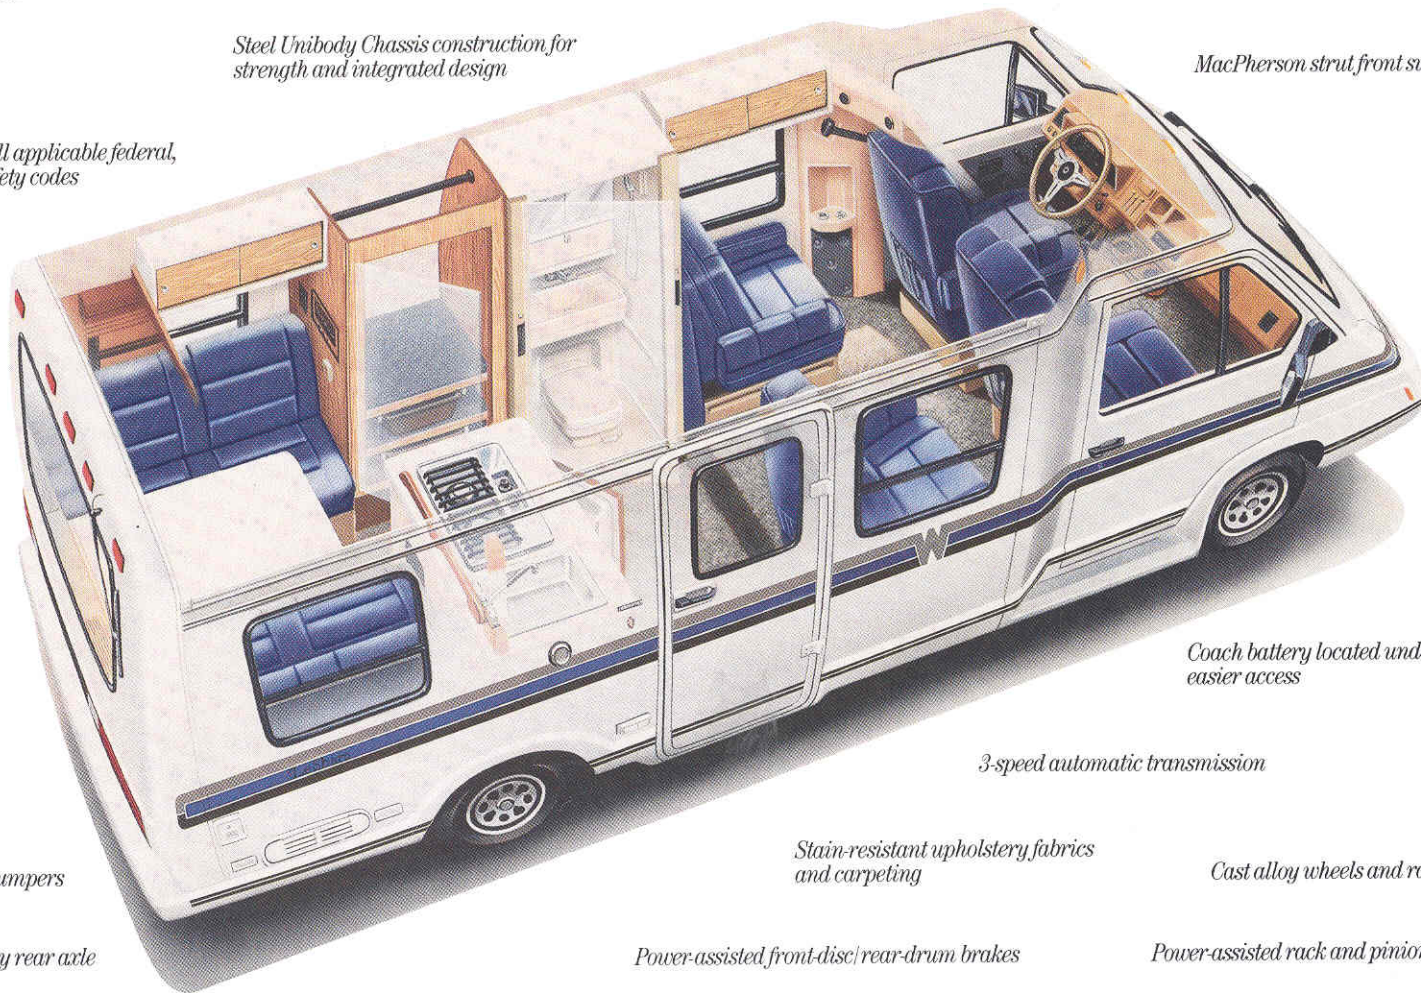

*Steel mounted windshield*

*Steel Unibody Chassis construction for strength and integrated design*

*Steel cab and dash substructure*

*Meets or exceeds all applicable federal, state and RVIA safety codes*

*MacPherson strut front suspension*

*Coach battery located under hood for easier access*

*3-speed automatic transmission*

*Integrated bumpers*

*Stain-resistant upholstery, fabrics and carpeting*

*Cast alloy wheels and radial tires*

*Extra-wide, heavy duty rear axle*

*Power-assisted front-disc/rear-drum brakes*

*Power-assisted rack and pinion steering*

*PVC rockguard coating applied to critical surfaces*

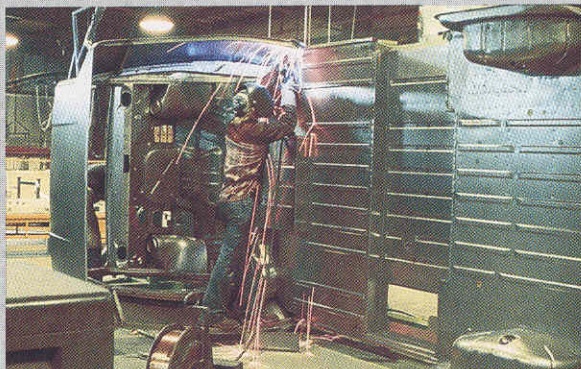

*Tinted and screened tip-out coach windows*

*Electrostatically painted aluminum window and door trim*

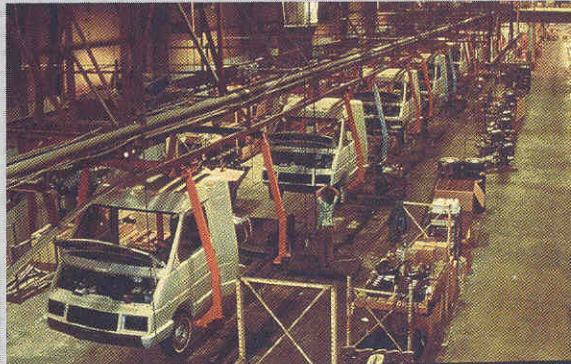

*Every LeSharo is subjected to an extensive exterior water leak test*

*Front-wheel drive for improved efficiency, handling and ride*

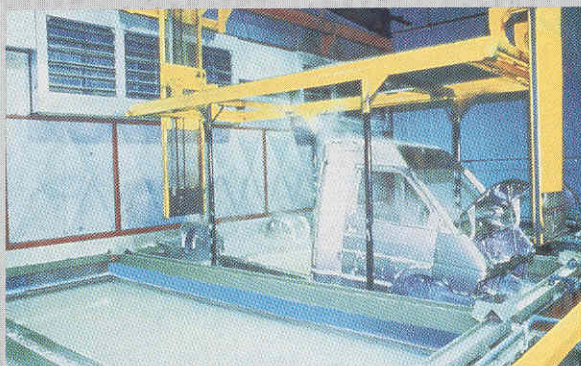

*Light, durable and fully insulated Thermo Panel® sidewalls contain extra thick Styrofoam® insulation*

LeSharo has an all-steel, welded, uni-body frame and cab.

LeSharo's unique front-wheel drive-train is installed with a special elevated assembly line that allows the engine, transmission, and front suspension to be raised from below and put in place.

Winnebago Industries uses an electro-deposition painting process to apply the prime coat to the frame and cab. The resulting uniform coating of paint provides increased corrosion protection compared to conventional painting methods.

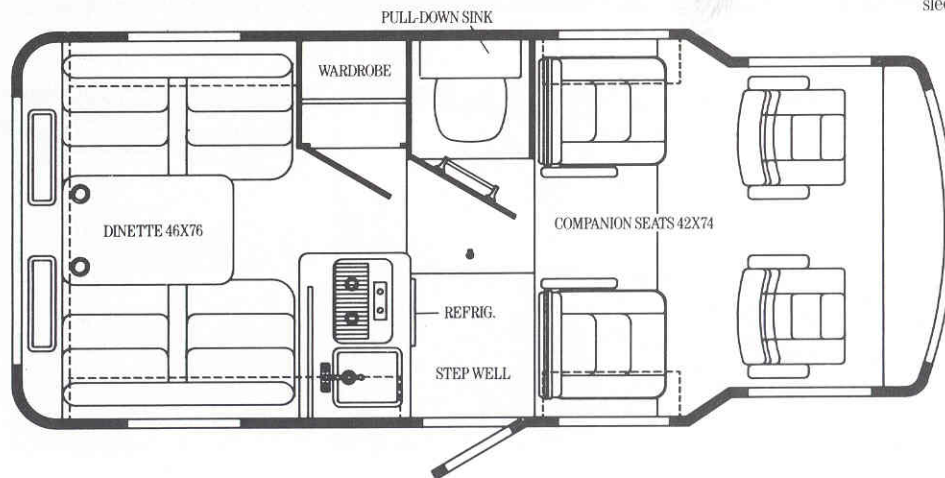

To simulate the ferocity of a thunderstorm, every Winnebago motor home is subjected to an exterior water leak test in this tunnel filled with high-pressure spray nozzles.

Note: Dimensions shown are for sleeping space. Dotted lines denote overhead storage.

The fiberglass rear cap has an extra-large window and integrated storage for the spare tire and electrical power cord.

# SPECIFICATIONS

Sleeping Capacity—Standard	4
Sleeping Capacity With Optional Bucket Seats	2
Length	20'10"
Exterior Height	7'7"
Exterior Height w/Roof Air	8'3"
Exterior Width	7'4"
Interior Height (Maximum)	6'0"
Interior Height (In Aisle)	5'8"
Fuel Capacity (Gals.)	15.5
Fresh Water Capacity (Gals. w/Heater)	22
Holding Tank Capacity (Gals. Main/Auxiliary)	13/5
LP Capacity (Lbs.)	28
GVWR (Lbs.)	6,677
Wheelbase	145"
Interior Colors	Blue or Sandstone

## STANDARD EQUIPMENT:

## AUTOMOTIVE FEATURES:

Fuel-Injected 2.2-Liter Engine  
w/3-Speed Automatic Transmission  
90-Amp. Alternator  
650-CCA Battery  
Reclining Front Bucket Seats  
w/Armrests  
Headliner Pad  
Passenger Sun Visor With Mirror  
Front Wraparound Curtain  
Power Assisted Steering  
Cruise Control  
Automotive Air Conditioning  
Oak Beverage Tray  
Battery Condition Gauge  
Emergency Start Solenoid (Dual  
Battery Switch)  
Electronic tune/signal seeking  
AM/FM Stereo w/Cassette

Cigarette Lighter  
Dome Light  
Door Trim Panels  
Rearview Mirrors (Right, Left, Interior)  
Intermittent Windshield Wipers  
Reminder Chimes (Ignition, Seatbelt  
and Headlights-On)  
Oil Level Gauge  
Tachometer  
Radial Tires  
Spare Tire  
Tire Tools  
Stylized Cast Alloy Wheels

## APPLIANCES AND SAFETY FEATURES:

2-Cubic Foot 12-Volt Refrigerator  
2-Burner Stainless Steel Range Top  
Direct Drive Water Pump  
6-Gallon Electric Water Heater  
20,000-BTU Furnace w/Electronic  
Ignition and Thermostat  
10-BC Fire Extinguisher  
Wall-Mount Monitor Panel  
LP Leak Tester

## INTERIOR FEATURES:

2 Companion Lounge Seats w/Armrests  
2 Recessed Beverage Holders and  
Ashtrays  
Convertible Dinette/Double Bed  
Stainless Steel Sink  
Silverware Drawer  
Powered Ceiling Vent (Front)  
Non-Powered Ceiling Vent (Rear)  
Double and Single Ceiling Lights  
Entrance Door w/Pull Shade and  
Padded Valance  
Blinds w/Padded Window Valances  
Wooden Bath Door  
Marine Toilet

Chrome Tissue Holder and Towel Bar  
Fold-Down Bath Shelf w/Storage  
Fold-Up Lavatory  
Medicine Cabinet  
Shower with Flexible Shower Head  
Lighted Wardrobe w/Drawer and  
Clothes Rod  
Rear Bedding Shelf  
Overhead Sliding Door Cabinets  
Carpeting w/Pad

## EXTERIOR FEATURES:

Deep Cycle Coach Battery  
32-Amp. Solid State Converter/9-Amp.  
Battery Charger  
Lockable Water Fill Door  
Sewer Hose and Storage Compartment  
110-Volt Exterior Outlet  
30-Amp. 28' Power Cord  
28-Pound LP Tank  
Screen Door  
All Tinted Windows  
Body-Integrated Front and Rear  
Bumpers  
Running Boards/Wheel Lips  
Rear Mud Flaps

## OPTIONAL EQUIPMENT:

Engine Block Heater  
Reclining Bucket Seats (Replace  
Companion Seats)  
Floor Mats (Driver, Passenger)  
Deluxe AM/FM Stereo w/Cassette  
(Electronic Tune, Seek, w/Digital Clock)

Power Door Locks  
3-Way Refrigerator (12 V., 110 V., LP)  
Front Power Roof Ventilator  
Motoraid and Rear Automotive Heater

7,100-BTU Roof Air Conditioner  
2,500-Watt Generator w/8-Gallon Fuel  
Tank  
Television Antenna w/2 Jacks  
Locking Fuel Fill Cap

**3/36**

**3 YEAR/36,000  
MILE WARRANTY:**

LeSharo includes extensive warranty coverage. An initial 12 month/15,000 mile warranty covers everything but normal service and maintenance. When this expires, coverage on major items continues to three years or 36,000 miles, whichever occurs first.

This extended coverage, with a small deductible, includes major appliances, generator, roof air conditioner, engine air conditioner compressor, Thermo-Panel® lamination, and drivetrain (engine, transmission, and front-wheel drive system). See your dealer for more information on this extensive warranty.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice. Some items shown may be extra cost options.

Every Winnebago owner is invited to join the Winnebago-Itasca Travelers (W.I.T.) Club. Members enjoy rallies and caravans, receive special discounts and services, make new friends and renew old acquaintances, and, of course, have the time of their lives. For more information, call W.I.T. at (515) 582-6874.
