(1) Station call letters as assigned by the Federal Communications Commission (FCC) or Canadian Radio-television and Telecommunications Commission (CRTC).

(1a) Station call letters for co-owned FM station. WOF-FM has the same ownership as WOF(AM), and the FM listing contains only information different from the AM. Co-owned AM and FM stations are often listed together, even when they have dissimilar call letters. In some instances FM may be listed first.

(2) Date station first went on air (regardless of subsequent ownership changes).

(3) Frequency in kilohertz.

(3a) WOF broadcasts in stereo.

(3b) WOF broadcasts 24 hours daily.

(4) Address and zip code, telephone and FAX. Teletype Writer Exchange number may also be included.

(5) Licensee name and date of acquisition (if not original owner). If the licensee is a group owner—a company with several broadcast properties—it is so identified, as a group owner of which the licensee is a subsidiary. Details on group owners are

listed in Section A. If the station has been sold and the sale information is available, it is recorded after the acquisition date, ie. acq. date; purchase price; FTR date.

(5a) FTR date. FTR refers to *Broadcasting & Cable* magazine's weekly For the Record column that appeared in the magazine until June 8, 1998, where station sales were recorded as received from the FCC.

(6) Network, representative and programming. WOF national affiliates are ABC Entertainment Network and AP Network. The regional affiliate is Mountain State. The WOF national sales representative is Jones & Company and their regional sales representative is Penn State. The WOF program format is part middle-of-the-road, part country and western, with three hours weekly of special programming in Spanish.

(7) Key personnel.

(8) Advertising rates. This data indicates the prices the station charges for a one-minute spot, run 12-times-a-week during the following time slots: 6 a.m.-10 a.m.; 10 a.m.-3 p.m.; 3 p.m.-7 p.m.; 7 p.m.-midnight, respectively. If a time slot is not applicable, na replaces the rate.

(9) Frequency for WOF-FM is 101.1 megahertz, with 3 kilowatts of effective radiated power and an antenna height of 300 feet above average terrain. WOF-FM broadcasts in stereo (see **(3a)**).

(10) Programming. WOF-FM duplicates WOF(AM) programs 50% of the time and has a country and western format.

(11) Co-owned TV. WOF-TV has the same licensee as WOF-AM-FM.

Note: Listings for independent AM & FM stations follow the sample shown for WOF(AM).

An asterisk (*) preceding station call letters indicates noncommercial stations.
